

## Welcome to DCHA

**We are more than just a landlord. We work with local communities across Cornwall and Devon, offering housing, support, regeneration and new development.**

We are part of the [Devon & Cornwall Housing group](#), which manages 17,000 properties throughout Cornwall and Devon, employing 700 staff. We build about 250 new homes each year and run "care & repair" home improvement agencies across the two counties.

## Latest news
