

## The Meadows, South Molton

### Affordable shared ownership homes for sale in South Molton

This is an exciting opportunity to purchase a very spacious 2 bedroom coach house with car-port through a shared ownership scheme in South Molton. ([Click here](#) for details of the other affordable homes we have for sale at the moment.)

The Meadows is a popular new-build development built by David Mclean homes who specialise in creating homes of individual character. The Meadows is a superb base for families, close to local amenities and within easy commuting distance to Barnstaple.

We currently have one remaining coach house - it is ready now and being sold at a 50% share. This share will cost just 58,500, together with an affordable monthly rent of 145.

We will also have another four houses available on this development over the next 12 months. They are all brilliantly-designed two bedroom coach houses.

If you would be interested in viewing, please contact Lorna Bailey on 01752 276039 or Adele Moore on 01752 276066.
