Small grants for local activities

Our "small grants fund" is used to fund all sorts of activities organised by our residents on housing schemes. It does what it says, and provides small sums of money to help bridge funding gaps.

It can be used towards costs of outings, organising parties or anything bringing benefit to the local community. Grants under 100 can be dealt with internally but applications over 100 will need to be considered by our Community Investment Fund Committee. The committee sits four times a year with the next meeting on 22 May.

If you live in one of our schemes and would like to apply for a grant, contact Julie West 01752 276029 or click on the link below.
