

## Christmas edition of Open Door

### News, fun, competitions and a sprinkling of festive cheer

Just published is our Christmas 2007 residents newsletter, packed with festive fun, seasonal tips and advice.

There is money advice, local news and green tips, as well as details of our new award for residents who go the extra mile to improve quality of life within their community.

The newsletter is produced by an editorial team of residents, and it really does get better every time. Please let us know if there are any stories you want to see covered in future issues.
