

Autumn edition of Open Door

A special feature on Foyers going sailing as well as news and competitions

Just published is our autumn 2008 residents newsletter.

Featuring is a special two page spread on the successful sailing activities organised over the last three years by Plymouth Foyer. The main focus is on Foyer staff and residents sailing this year on a beautiful 1912, 60 foot yacht Duet along the south coast from Weymouth finishing at Newlyn in Cornwall.

There are also plenty of news stories including a digital TV switchover update as well as puzzles and competitions.

The newsletter is produced by an editorial team of residents and staff, and it really does get better every time. Please let us know if there are any stories you want to see covered in future issues.
